Installation Instruction [Swivel Bracket]

1

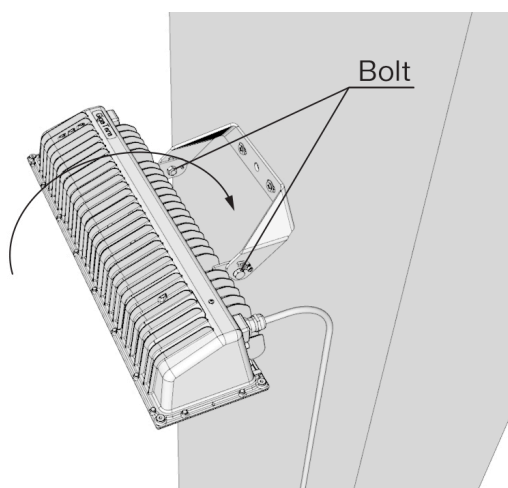

To install, turn the product's body as shown in the picture.

2

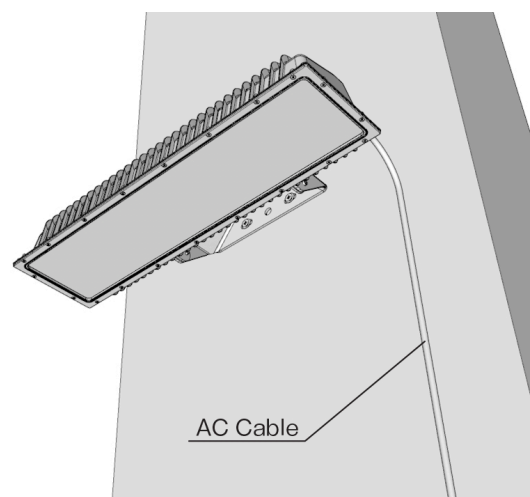

Use the bolts to fix it on a concrete or wooden wall.
(Use the bolts that are specifically made for the installation site)

3

Adjust the body and fix it with the bolts.

4

Connect the AC power cable to the main power supply.
(Refer to Page 2 "AC Power Cable")
Connect the product to the main power supply and check whether it operates correctly.
